

ICNFP 2016 LAST CIRCULAR

Dear Colleague,

This is the **Last Circular** with practical information on the **5th International Conference on New Frontiers in Physics 2016** to be held in Orthodox Academy of Crete (OAC), Kolymbari, Crete, Greece, from July 6th to July 14th. Details can also be found in the conference website: <http://indico.cern.ch/event/icnfp2016>

SCIENTIFIC PROGRAMME

The scientific program of the conference can be found under "timetable" in the conference home page: <https://indico.cern.ch/event/442094/page/7521-program>

For speakers: please check the day and time of your presentation and if you have any comments please let us know as soon as possible. There have been some recent changes to the program.

In each conference room there will be a computer (Windows, Linux or Mac) connected to a projector with standard software installed. We recommend using PDF format for the presentation and in any case we would like to ask you to please have also a pdf version of your talk in case of problems, to ensure that it will run smoothly on all computers. Please upload your presentation in the Indico timetable at least one day before your talk. If you are not able to upload the presentation please send it to the organizers: <mailto:icnfp2016@gmail.com>.

POSTER SESSION

The poster session will take place on **Monday, July, 11th, 19:30-20:30** in the lobby of OAC. There will be 30 poster boards (they can be used on both sides, dimensions: 1.40x1.40m and 0.90x1.40m). The posters can be put on the boards during the day.

The poster presentations will be published in the proceedings of the conference after a peer review with the same length as the oral presentations of 15+5'. In addition a Honorary Committee will award the best poster author.

To further encourage participation a wine tasting party will be associated with the poster session. Note: We kindly ask all participants to bring a bottle of typical wine or another traditional beverage of their country to share it during the poster session. These bottles can be delivered either to the ICNFP or OAC registration desk at any time. For details please contact Maria Stefaniak: <mailto:mzstefaniak@gmail.com> and CC to <mailto:icnfp2016@gmail.com>.

The poster session will be followed by the Opera Gala starting at 21.00 in the OAC main Amphitheatre.
