

**Session Program**

**6-14 Jul 2016**

**5th International Conference on New  
Frontiers in Physics ICNFP2016**

***Parallel 1***

## Friday 8 July

15:40

### Parallel 1

#### Session

15:40–16:00 **Detection of mirror-meson decays at CERN**

**Speaker**

George Triantaphyllou

16:00–16:20 **Status and Prospects of the KATRIN Experiment**

**Speaker**

Nikolaus Trost

16:20–16:45

**In search of the neutrinoless double beta decay: Phase II of the GERDA experiment**

**Speaker**

Thomas Wester

17:05
