

Dear LHCP2016 participant,

The Fourth Annual Large Hadron Collider Physics Conference in Lund Sweden is only a few days away; we would like to take this opportunity to share some final details with you :

Registration

The registration desk will open on Sunday 12th from 17:00 to 19:00 and on Monday 13th from 7:00.

You are encouraged to make all conference payments before arrival at the registration, however if a cash payment has been agreed, only Swiss Francs (480chf) and Euros (440 euros) will be accepted.

Poster Session

Poster presenters will already have the opportunity to hang their poster between 17:00 and 19:00 on Sunday.

Travel

Although you may be coming from another Schengen Zone country you will be asked to produce a valid id card or passport both when entering the train from Copenhagen airport to Lund, and when entering Sweden. If you come by train, your Copenhagen-Lund ticket will also be valid on local buses.

Your conference badge has a red logo "Skandetrafiken" on it. This will give you free access to use the green city buses in Lund from the 12th to the 18th June 2016 so wait until you get your conference badge before considering to buy any travel passes.

At the conference

Participants who have requested meals with special dietary requirements, including vegetarian menus, can pick them up in a marked area of the Café Athen on the ground floor where the lunches are distributed.

Speakers are reminded it is now possible to upload talks to the Indico page.
