

LHCP2016: Concluding remarks

Gregorio Bernardi and Guenakh Mitselmakher

The LHCP 2016 conference was a success, thanks to all the speakers, poster presenters and to the the conference participants

Special thanks to the conference co-Chairs:
Torsten Åkesson and **Leif Lönnblad**,
as well as to the conference Scientific Secretary
Roman Pasechnik for the excellent
organization and hospitality in Lund

Many thanks to the LHCP2016 Program
Committee: to its chairmen **Andreas Hoecker**
and **Jim Olsen**, as well as **to the Program**
Committee members and Session Conveners
for preparing a very interesting LHCP 2016
conference Scientific Program

Our special thanks to **the LHCP 2016 Conference Secretariat: Connie Potter and Dawn Hudson** (CERN) for their help in setting up the conference, and Connie and Dawn together with **Bozena Wlosinska** (Lund), for running the conference secretariat.

For helping with the social media and photographs our thanks go to **Clara Nellist and Kate Shaw**

Many thanks to the **local PhD-students and Master students**, for helping with many practical things during the conference, including handling the microphones during the sessions

Important contributions have been provided by the **members of the Local Organizing Committee**, here we especially want to mention:

Caterina Doglioni who organized the conference information system, including the WWW, poster and the bulletin

Balazs Konya who has been overseeing the conference infrastructure and organizing the work of the students

Peter Christiansen provided the overall planning of the social events and entertainment

We thank the “**LU Conference**”, for their help with the conference organization. Especially we want to mention:

Magnus Nygren, their meeting Coordinator

Anna Nillson, their technical coordinator

Richie Gray, the main technician during the sessions

Andreas Rowicki, who helped with different things, including the sound

We are very grateful to the **Academic Society**, allowing to use their building, where this conference has been held. Special thanks to **Mia Hempel**, their host, and to **Tegnér's Matsalar**, who organized the catering

We express our gratitude to the

LHCP2016 sponsors:

**CERN, Lund University, the Nobel Institute for
Physics at the Royal Swedish Academy of
Sciences, City of Lund, The Southern Region of
Sweden, Springer/EPJ-C**

**We invite all
of you to the next
LHCP2017 in
Shanghai, China,
May 15-20, 2017**

LHCP2017 Homepage:

- Note that the LHCP2016 proceedings will be published electronically in Proceedings of Science run by SISSA. Please submit your contributions before the deadline (September 4)

The next two slides provide some details about the proceedings:

POs PROCEEDINGS OF SCIENCE by SISSA

what's POS for organizers for chairmen for authors for readers staff

PoS provides a **versatile** tool tailored to your conference publishing requirements. Publishing your proceedings on PoS is **inexpensive** and access by the readership is **open** without registration or charge. Moreover, the online publication procedure is **fast**, thanks to the software system that runs the entire editorial procedure [...]

forthcoming conferences

Geneva, Switzerland 25-30 Jun 2006	International Symposium on Nuclear Astrophysics - Nuclei in the Cosmos - IX	Expected in Summer 2006
Cape Town, South Africa 3-6 Apr 2006	International Workshop on Fast Neutron Detectors and Applications	Expected in Summer 2006
Palermo, Italy 3-4 February 2006	Grid Technology for Financial Modeling and Simulation	Expected in Winter 2006
Coimbra, Portugal 12-15 January 2006	International Workshop on Top Quark Physics	Expected in Spring 2006
Budapest, Hungary 1-3 August 2005	28th Johns Hopkins Workshop on Current Problems in Particle Theory	Expected in Winter 2006
Bangalore, India 31 Aug - 2 Sep 2005	International Conference on Statistical Mechanics of Plasticity and Related Instabilities	Expected in Winter 2006
Lisboa, Portugal 21-27 Jul 2005	HEP2005 International Europhysics Conference on High Energy Physics	Expected in Winter 2006

recent conferences

Baltimore, Maryland 5-8 Jun 2004	28th Johns Hopkins Workshop on Current Problems in Particle Theory	PoS(JHW2004) November 2005
Roma, Italia 30 Mar - 1 Apr 2005	Control Systems: Theory, Numerics and Applications	PoS(CSTNA2005) November 2005

PoS - Proceedings of Science

An online proceedings and lecture notes series published by SISSA

PoS was set up in 2005 to capitalise SISSA's pioneering experience in electronic scholarly publishing (initially with JHEP, later followed by JCAP, JSTAT, JINST and JCOM).

PoS aims to offer a **versatile, quick, low-cost** and **open access** service run by the scientific community for the scientific community.

The screenshot shows the PoS website interface. On the left, there is a navigation menu with links: 'all conferences', 'for organizers', 'for chairmen', 'for authors', and 'for all readers'. Below this is a list of 'Invited talk' entries, including names like Andrea Ferrara, Luigi Danese, Peter Schuecker, Peter Schneider, Andreas Burkert, Piero Rosati, Sabine Schindler, Magda Arnaboldi, Angela Iovino, Bianca Poggianti, Bernd Vollmer, Frank Van den Bosch, Reynier Peletier, Rodrigo Ibatá, and Francesca Matteucci. The main content area displays a preview of a paper titled 'First Stars and the Cosmic Dawn' by A. Ferrara. The paper's abstract discusses the appearance of the first stars and the occurrence of various physical effects like cosmic reionization and intergalactic medium metal enrichment. The website footer includes the SISSA logo and the URL <http://pos.sissa.it>.

The proceedings for **LHCP2016** will be published on PoS

- authors will be contacted by the organisers and given login data to their personal pages on PoS (where the style files are available) and they can upload the pdf files (format A4)

- Editors: Johan Bijnens, Andreas Hoecker and Jim Olsen

- Plenary: 20 pages
Parallel: 10 pages
Poster: 4 pages

- Deadline: 4 September 2016

- Questions: contact bijnens@thep.lu.se
