

Session Program

12-18 Jun 2016

Fourth Annual Large Hadron Collider Physics Conference 2016

Electroweak Plenary

Lund University
Sandgatan 2, Lund, Sweden

Wednesday 15 June

08:30

Electroweak Plenary: Chairs: Andreas Hoecker, Juan Alcaraz Maestre

Session | Location: AF Borgen, Stora Salen

08:30–08:50 **Theory overview of electroweak physics at hadron colliders**

Speaker

John Campbell

09:00–09:20 **Precision electroweak physics at hadron colliders**

Speaker

Matthias Schott

09:30–09:50 **Di-boson production at the LHC**

Speaker

Lara Lloret Iglesias

10:00–10:20

Multi-boson production, vector boson fusion & scattering processes at the LHC

Speaker

Emily Laura Nurse

10:30
