

Session Program

3-7 Nov 2015

Welcome to NICA days 2015 in Warsaw
session

Saturday 7 November

10:30

session: Engineering

Session | Location:

10:30-10:55

Superconducting magnetic systems in generation of high and low gradient magnetic fields

Speaker

Dr Henryk Malinowski

10:55-11:15

Przemysłowa aparatura...

11:15-11:30

Cooling system for TOF electronic at BM@N experiment.//System chłodzenia elektroniki dla poddetektora TOF w eksperymencie BM@N.

Speaker

Mr Krystian Rosłon

12:35
