

# 14th Geant4 Users and Collaboration Workshop

## Monday, 19 October 2009

### Plenary Session I - Goals, Challenges and Performance - Main Conference Hall (08:40 - 10:40)

time	[id] title	presenter
08:40	[6] Workshop Goals	Dr APOSTOLAKIS, John
09:10	[9] Emerging requirements from user domains - HEP	DOTTI, Andrea
09:15	[8] Emerging requirements from user domains - Nuclear Physics and Underground experiments	PANDOLA, Luciano
09:20	[10] Emerging requirements from user domains - Astrophysics and Space Applications	MANTERO, Alfonso
09:25	[11] Emerging requirements from user domains - Medical applications	GUATELLI, susanna
09:30	[12] Emerging requirements from user domains - Shielding and industrial applications	Dr KOI, Tatsumi
09:40	[13] On improving Geant4 performance, robustness and easing code maintenance	GENSER, Krzysztof
