

14th Geant4 Users and Collaboration Workshop

Wednesday, 21 October 2009

Plenary Session V - EM Physics Validation and Development - Main Conference Hall (08:40 - 10:40)

time	[id] title	presenter
08:40	[93] New developments and validation for standard EM	Prof. IVANTCHENKO, Vladimir
09:05	[94] Migration of low-energy physics to common EM design	PANDOLA, Luciano
09:30	[95] New high energy models and validation tools	SCHAELICKE, Andreas
09:55	[96] Simulating Scintillator Light Collection Using Measured Optical Reflectance	GUMPLINGER, Peter
10:20	[97] General Discussion
