Type: **Regular 15 minutes Oral Presentation**

## In Memory of David Hawksworth

*Wednesday, August 30, 2017 10:45 AM (15 minutes)*

Dr David Hawksworth, former Managing Director of Oxford Magnet Technology Ltd., passed away on March 15th aged 63. David's significant contribution to development of magnets for MRI is reviewed from joining Oxford Instruments in 1981 through to Director of Oxford Magnet Technology Ltd., where he was instrumental in leading the team which developed the first high field whole body 1.0T, 1.5T and 4.0T active shield MRI magnets.
