

Gamma-ray anisotropies discussion

Gamma-ray anisotropies discussion

- are there any other metrics we should consider to get more info out of the gamma-ray sky?

Gamma-ray anisotropies discussion

- are there any other metrics we should consider to get more info out of the gamma-ray sky?
- are there potentially important effects in modeling anisotropy contributions that we have neglected so far?

Gamma-ray anisotropies discussion

- are there any other metrics we should consider to get more info out of the gamma-ray sky?
- are there potentially important effects in modeling anisotropy contributions that we have neglected so far?
- where do we want to go with these measurements, and what experimental capabilities do we need?
