# Wednesday 14 October

13:30

## Cryostats Assessment

Session | Location: CERN, 42/3-002

13:30–13:40 **T600 cryostat requirements**

**Speaker**

Claudio Silverio Montanari

13:40–14:10 **T600 cold cryostat fabrication and assembly**

**Speaker**

Marzio Nessi

14:10–14:40 **Warm cryostat design and fabrication**

**Speaker**

Marzio Nessi

14:40–14:55 **Coffee**

14:55–15:05 **SBND cryostat requirements**

**Speaker**

David Montanari

15:05–15:35

**SBND membrane cryostat: preliminary design, procurement, installation plan**

**Speaker**

Marzio Nessi

15:35–16:05 **SBND cryostat support structure design, fabrication, installation plan**

**Speaker**

Dimitar Mladenov

16:05–17:05 **Discussion**

18:00

## Thursday 15 October

13:30

### Cryostats Assessment

**Session** | **Location:** CERN, 222/R-001

**13:30–14:30 Overview of WA104 activities**

**Speaker**

Claudio Silverio Montanari

**Location**

CERN, 222/R-001

**14:30–15:15 PMT procurement, testing, mounting and cabling**

**Speaker**

Gian Luca Raselli

**Location**

CERN, 222/R-001

**15:15–15:30 Coffee**

**15:30–16:30 TPC Electronics system, design, fabrication and install needs**

**Speaker**

Sandro Centro

**Location**

CERN, 222/R-001

**16:30–17:30 Discussion**

**Location**

CERN, 222/R-001
