

Discussion about the workshop

About Programme

- Did you felt complexity progressivity in programme ?
 - Yes 13. No 3 Neutral 0.
- Did you learned someting in « adjacent » Imaging domains (CT, SPECT, MRI...)
 - Yes 16. No1 Neutral 1
- Did you learned something about PET ?
 - Yes 18 No...1 Neutral 1...
- About use of PET (Installation, Dose, Performance, QC &Quantification, Bio med research ..)
 - Yes 19. No 0... Neutral ...0
- About PET evolution to Hybrid: +CT,+MR)
 - Yes 20 No...0 Neutral ...0
- About Ecology
 - Yes 4. No 4 Neutral 5

Rad Protection & Developments

- Are you more sensibilized to RP aspects (risks, optimisation, workers & public, shieldings)
 - Yes 15 No 3 Neutral 1
- What New developments seem more interesting to you:
 - Transfers HEP->MP
 - Yes 16. No...0 Neutral 1
 - Hadron Therapy
 - Yes 11. No...0 Neutral ...0
 - Future with « Particle therapy »
 - Yes 10 No...0 Neutral 4
- Open a window on the Future is very interesting
 - Yes 17 No...0 Neutral ...0

General conditions

- 3 days is too short
- Yes 16. No...1 Neutral ...0
- Too intense programme (4 sessions/ day)
- Yes 18. No...1 Neutral ...0
- 5 days would be better (3 sessions per day)
- Yes 15. No...0 Neutral ...0
- Need « respiration time » around lunch
- Yes 9. No 1 Neutral 3
- Touristic location (Beach...) is needed
- Yes 10. No 2 Neutral 4
- Easy access Better in city with airport / railways...
- Yes 5 No1 Neutral 10
- Hotel conditions : 2 per room is OK
- Yes 14. No 1 Neutral ...0
- 3 AND more THAN 2 per room
- Yes 4.... No 7 Neutral 1

General conditions (Cont'd)

- Food was OK
 - Yes 16 No...0 Neutral 5
- Cultural aspect was ok
 - Yes 15. No 2... Neutral ...0
- More Culture / visits...
 - Yes 17 No Neutral 2
- Coffee break can be improved
 - Yes 19 No Neutral 1
- IFMP Web site has been visited
 - Yes 23
