

LHC Operation and Efficiency in 2015

Monday, 25 January 2016 09:30 (30 minutes)

<P>With the restart at a record energy level, 2015 has been a challenging year for the LHC. An analysis of the performance through the investigation of each phase of the nominal cycle will be presented. The possibility and different scenarios to potentially increase efficiency will also be discussed.</P>

Presenter: SOLFAROLI CAMILLOCCI, Matteo

Session Classification: Session 1: Lessons from 2015
