

Machine Learning for the LHC Distributed Data Placement and Track Finding

Contribution ID: 15

Type: **not specified**

Flavour Tagging Optimization

Monday, 7 December 2015 14:10 (1 hour)

Presenters: DERKACH, Denis (Yandex School of Data Analysis (RU)); LIKHOMANENKO, Tatiana (National Research Centre Kurchatov Institute (RU))

Session Classification: Machine Learning Tools, Principles and Libraries (II)
