

Pilot Job Frameworks Review update

- LHCb
 - OK
- CMS
 - OK, more details desired if/when deployment widens
- ATLAS
 - PanDA framework described on TWiki pages
 - Questionnaire answers essentially have converged
 - A few desirable features are work in progress
- ALICE
 - Questionnaire answers and implementation plans submitted
 - <https://twiki.cern.ch/twiki/bin/view/ALICE/JobAgent>
 - Use of gLExec by AliEn foreseen by June
 - Working group will comment and discuss with ALICE
