

**Session Program**

11-12 Jan 2016

**ATLAS-CMS Monte Carlo Generators  
Workshop**

***Multi-purpose generators and generator  
integration***

CERN, 222/R-001

# Monday 11 January

11:00

## Multi-purpose generators and generator integration

**Session** | **Location:** CERN, 222/R-001

11:00–11:20 **Status of Pythia8 (15'+5')**

**Speakers**

Stephen Mrenna, Steve Mrenna

11:20–11:40 **Status of Herwig (15'+5')**

**Speakers**

Simon Platzer, Simon Plätzer

11:40–12:00 **ATLAS: generator integration into software and production (15'+5')**

**Speaker**

Josh McFayden

12:00–12:20 **CMS: generator integration into software and production (15'+5')**

**Speaker**

Josh Bendavid

12:20–12:45 **Underlying-event and multiple-parton scattering tunes (20'+5')**

**Speaker**

Paolo Gunnellini

12:45
