

**Session Program**

**11-12 Jan 2016**

**ATLAS-CMS Monte Carlo Generators  
Workshop**

***Use of MC for SM processes: vector bosons***

CERN, 222/R-001

# Monday 11 January

14:00

## Use of MC for SM processes: vector bosons

Session | Location: CERN, 222/R-001

14:00–14:40 **MC generators for final states including vector bosons (30'+10')**

**Speaker**

Emanuele Re

14:40–15:20 **Perspectives for vector-boson + jets physics at LHC Run 2 (30'+10')**

**Speakers**

Simon De Visscher, Simon De Visscher

15:20–16:00 **Perspectives for Di-boson + jets physics at LHC Run 2 (30'+10')**

**Speaker**

Ximo Poveda Torres

16:00
