

## **Session Program**

**18-20 Jan 2016**

# **Ion Beam Therapy: Clinical, Scientific and Technical Challenges**

## ***Introduction to ion beam therapy***

Postgraduate Centre, Queen Elizabeth University Hospital, Lecture Theatre  
Edgbaston Birmingham B15 2TQ UK

# Monday 18 January

11:00

## Introduction to ion beam therapy

**Session** |

**Location:** Postgraduate Centre, Queen Elizabeth University Hospital, Lecture Theatre, Edgbaston Birmingham B15 2TQ UK

11:00-11:15

### Welcome

**Speaker**

Stuart Green

11:15-11:30

### Aims

**Speaker**

Rob Edgecock

11:30-12:00

### Clinical case for ions

**Speaker**

Reinhard Schulte

12:00-12:30

### Dose calculations for He beam radiotherapy

**Speaker**

Hermann Fuchs

12:30-13:00

### Discussion

13:00
