

# Simulations of HV-CMOS

*Wednesday, December 2, 2015 3:00 PM (20 minutes)*

Where we present some TCAD simulatinos on HV-CMOS 350 nm AMS, in order to assist the comparison with measurements.

## Summary

Where we present some TCAD simulatinos on HV-CMOS 350 nm AMS, in order to assist the comparison with measurements.

**Author:** PALOMO PINTO, Francisco Rogelio (Universidad de Cantabria (ES))

**Co-authors:** FERNANDEZ GARCIA, Marcos (Universidad de Cantabria (ES)); MOLL, Michael (CERN); HIDALGO VILLENA, Salvador (Instituto de Microelectronica de Barcelona (ES))

**Presenter:** PALOMO PINTO, Francisco Rogelio (Universidad de Cantabria (ES))

**Session Classification:** CMOS sensors and Sensor Producers
