

11th Franco-Italian Meeting on B Physics: New Promising Flavour Physics  
Research Subjects in Theory and Experiment

Contribution ID: 6

Type: **not specified**

**Penta- and Tetra-quarks (experiment) [30'+10']**

*Monday 11 April 2016 14:50 (40 minutes)*

**Presenter:** COWAN, Greig (University of Edinburgh (GB))

**Session Classification:** Session 1 - Quark Flavour and QCD Spectroscopy
