Session 1 - Quark Flavour and QCD Spectroscopy

Session | **Location:** LPNHE-Paris, Charpak Amphitheatre, 4 place Jussieu, Paris, France

14:00-14:10 **Welcome**

Speaker

Eli Ben Haim

14:10-14:50 **Spectroscopy and QCD (experiment) [30'+10']**

Speaker

Yanxi Zhang

14:50-15:30 **Penta- and Tetra-quarks (experiment) [30'+10']**

Speaker

Greig Cowan

15:30-15:55 **Spectroscopy and QCD in ATLAS and CMS [20'+5']**

Speaker

Marcella Bona

15:55-16:15 **Coffee break**

16:15-16:55 **Multiquark States and Spectroscopy (theory - I) [30'+10']**

Speaker

Luciano Maiani

16:55-17:35 **Multiquark States and Spectroscopy (theory - II) [30'+10']**

Speaker

Gabriele Veneziano

17:35-18:00 **Discussion**

18:00
