

Session Program

9 November 2016

30 Years of Heavy ions : ...what next?

Plenary 1

CERN, 500/1-001 - Main Auditorium

Wednesday 9 November

14:00

Plenary 1: Plenary 1

Session | Location: CERN, 500/1-001 - Main Auditorium | Convener: Guy Paic

14:00-14:05 Welcome address by Eckhard Elsen

14:05-14:30 The entry of Heavy-ion in the high energy sanctuary

Speaker
Reinhard Stock

14:30-15:00 The physics boost from inside the high energy community

Speaker
Hans Specht

15:00-15:30 Adding a new dimension to CERN

Speaker
Herwig Schopper

15:30-16:00 The discovery of the Quark-Gluon plasma : the 2000 announcement

Speaker
Luciano Maiani

16:00
