

Future Challenges in Non-Leptonic B Decays ----- Theory and Experiment

Thursday 11 February 2016

B to p π form factors (10:40 - 12:10)

time	[id] title	presenter
10:40	[10] B to pi pi form factors: Overview and Results at Large Dipion Masses	VAN DYK, Danny
11:25	[11] Form factors of B to 2pi transitions from QCD light-cone sum rules	KHODJAMIRIAN, Alexander
