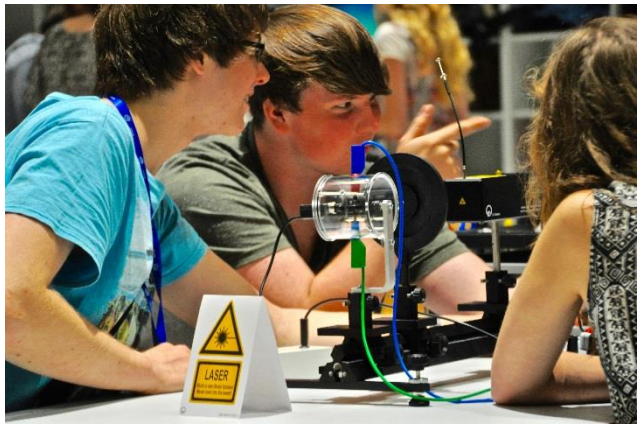
Some results from the tutor survey

What was your highlight in S‘Cool LAB?

“All of them - I love it when the students keep on asking questions!”

“The super cool, annoying teenager who actually knew a lot of things.”

“When students say.. oh this is cool and take picture of the experiment they are doing. Or teacher having fun and being exited as students”



Survey Feedback

“While the workshops are still changing, it would be great to have some forum for detailed feedbacks, to share the experience of the tutors with you.”

There is always a way to do it
better... find it!
If you can't explain it simply,
you don't understand it well enc

Thank you very much!

Let‘s have a drink!
