

Session Program

12-17 Sept 2016

Varying Constants and Fundamental Cosmology - VARCOSMOFUN'16

Plenary session I

Szczecin, Poland

Maritime University of Szczecin Campus, Szczerbcowa 4, 70-503 Szczecin

Monday 12 September

09:10

Plenary session I

Session | **Location:** Maritime University of Szczecin Campus, Szczerbcowa 4, Room 7 | **Convener:** Marek Biesiada

09:10–10:05

Fundamental constants, gravitation and cosmology - recent developments

Speaker

Prof. Jean-Philippe Uzan

10:05–11:00

Varying constants, cosmology and the puzzle of quantum gravity

Speaker

Prof. João Magueijo

11:00

11:30

Plenary session I

Session | **Location:** Maritime University of Szczecin Campus, Szczerbcowa 4, Room 7 | **Convener:** Marek Biesiada

11:30–12:30

Search for New Physics with Atomic Clocks

Speaker

Dr Ekkehard Peik

12:30
