

Session Program

12-17 Sept 2016

Varying Constants and Fundamental Cosmology - VARCOSMOFUN'16

Plenary session III

Szczecin, Poland
Maritime University of Szczecin Campus, Szczerbcowa 4, 70-503 Szczecin

Wednesday 14 September

09:00

Plenary session III

Session | **Location:** Maritime University of Szczecin Campus, Szczerbowa 4, Room 7 | **Convener:**
Carsten van de Bruck

09:00–10:00

Observations of gravitational waves from binary black hole mergers

Speaker

Prof. Andrzej Krolak

10:00–11:00

Varying constants and the cosmological constant problem

Speaker

David Marsh

11:00
