

# Varying Constants and Fundamental Cosmology – VARCOSMOFUN'16

## Friday 16 September 2016

**[MV] Multiverse (14:00 - 15:40)**

-Conveners: Salvador Robles

time	[id] title	presenter
14:00	[64] The false vacuum bubble as the creation of our universe	Dr WONWOO, Lee
14:35	[29] The cosmological constant problem in piecewise-linear models of quantum gravity	Dr VOJINOVIC, Marko
15:10	[121] Observational consequences of an interacting multiverse	Dr ROBLES-PEREZ, Salvador
