20-24 Nov 2015

Invisibles15 Workshop: "Invisibles Meets Visibles"

PhD Forum: Higgs and collider physics

IFT (Madrid) and Thyssen-Bornemisza Museum

Friday 20 November

12:00

PhD Forum: Higgs and collider physics

Session | **Location:** IFT

12:00–12:06

Dark Matter with Non-linear Higgs portals

Speaker

Ilaria Brivio

12:06–12:12

Unitarity Constraints on Dimension-Six Operators

Speaker

Tyler Corbett

12:12–12:18

Lepton jets from radiation in the dark sector

Speaker

Mr Malte Buschmann

12:18–12:24

Reheating with a Composite Higgs

Speaker

Djuna Croon

12:24–12:30

Viability of Minimal Neutrinophilic two-Higgs-Doublet Models

Speaker

Yuber Perez

12:30
