

Session Program

29 May 2016 to 3 June 2016

**Blois 2016: 28th Rencontres de Blois on
"Particle Physics and Cosmology"**

The High Energy Universe

Gaston d'Orléans
Château de Blois, Blois, Loire Valley, France

Thursday 2 June

14:00

The High Energy Universe

Session | **Location:** Gaston d'Orléans, Château de Blois, Blois, Loire Valley, France | **Convener:** Thomas Lohse

14:00-14:30

Neutrino astronomy: Where are we now, what did we learn?

Speaker

Eli Waxman

14:30-15:00

The origin of cosmic rays

Speaker

Stefano Gabici

15:00-15:30

Gamma ray astronomy

Speaker

Petra Huentemeyer

15:30
