

BGV SW Meeting # 1

Meetings Infos

Quentin Veyrat

November 26, 2015

Organisation

Proposition :

- Frequency of every two weeks
- Alternately with BGV meeting
- Tuesday early afternoon? 13h30 sounds good for me
And everyone should be also available.
- Duration : Maximum of 2 hours
- Location : Preveessin ? Meyrin ? EPFL ? Brazil ?

Maybe in Meyrin to compensate with the BGV Meeting
(by applying the Swiss principle of neutrality)
