

Session Program

8-12 Feb 2016

MEDICIS-PROMED ESR Kick-Off Week

Academic Training

CERN

Tuesday 9 February

09:00

Academic Training

Session | **Location:** CERN, 3179 (Idea square) | **Convener:** Thomas Elias Cocolios

09:00-10:00

Overview

Speaker

Ulli Koester

10:30

10:00-10:30

Production of radioisotopes with the ISOL technique

Speaker

Thierry Stora

11:00

Academic Training: Academic Training

Session | **Location:** CERN, 3179 (Idea Square) | **Convener:** Thomas Elias Cocolios

11:00-11:30

Manipulation: radioprotection

Speaker

Mr Nicolas Varmenot

11:30-12:00

Manipulation: radiochemistry

Speaker

Dr Antonio Rocha Paulo

12:00-12:30

Use of radioisotopes for medical applications

Speaker

John Prior

12:30-13:00

Ethical considerations

Speaker

Jean-Francois Chatal

13:00
