

# Mini MeVArc meeting

## Tuesday, 22 March 2016

### Modeling and Simulation - 6/2-004 (08:30 - 12:30)

time	[id] title	presenter
08:30	[6] Thermo-electrical simulations of field emitters - the influence of Nottingham effect	ZADIN, Vahur
09:00	[12] Pre-breakdown electron emission theory	KYRITSAKIS, Andreas
09:30	[9] Coffee	
10:00	[0] Stochastic model for breakdown induced through plastic activity - an update	ASHKENAZY, Yinon
10:30	[13] The stability of nanotips and nanowires and the effect of electric fields	JANSSON, Ville
