

# ICFA Mini Workshop on High Order Modes in Superconducting Cavities 2016

## Monday, 22 August 2016

**Design of SRF Cavities and HOM Effects - Konferenzsaal A (09:00 - 10:00)**

time	[id] title	presenter
09:00	[51] Design of the 9-cell superconducting cavity for EUV light source accelerator	KONOMI, Taro
09:30	[52] Review of Higher Order Modes Effects in the LCLS-II Superconducting Linac	SAINI, Arun
