

Session Program

25 July 2016 to 12 August 2016

Charting the Unknown: interpreting LHC data from the energy frontier

1.Chair: R. Contino

CERN

Monday 25 July

09:30

1.Chair: R. Contino: Session 1

Session | **Location:** CERN, 503/1-001 - Council Chamber | **Convener:** Roberto Contino

09:30–10:00

Coffee break

10:00–10:45

The QCD Axion, Precisely**Speaker**

Giovanni Villadoro

10:45–11:30

Axion searches by way of their coupling to the electron spin**Speaker**

Riccardo Barbieri

11:30–12:15

A visible QCD axion**Speaker**

Tony Gherghetta

13:00
