## Latest results on searches for MSSM Higgs Search and Beyond at CMS

*Thursday, July 6, 2017 12:45 PM (15 minutes)*

A summary of recent progress of MSSM Higgs searches in CMS experiment. And also including Higgs like resonance searches with other BSM models, for example 2HDM, Gravitons, etc.

### Experimental Collaboration

CMS

**Primary author:** CMS COLLABORATION

**Presenter:** ASAWATANGTRAKULDEE, Chayanit (Deutsches Elektronen-Synchrotron (DESY))

**Session Classification:** Higgs and new physics

**Track Classification:** Higgs and New Physics
