

EPS-HEP 2017

Wednesday, 5 July 2017 - Wednesday, 12 July 2017

Venice, Italy

Scientific Programme

Accelerators for HEP

Astroparticle Physics

Cosmology, Dark Energy, Gravitational Waves

Dark Matter

Detector R&D and Data Handling

Flavour Physics and Fundamental Symmetries

Heavy Ion Physics

Higgs and New Physics

Neutrino Physics

Outreach, Education, and Diversity

Quantum Field and String Theory

QCD and Hadronic Physics

Top and Electroweak Physics
