Simplicity 2.0

Public Cloud

Ooops!

A clear blue sky with several white, fluffy clouds scattered across it. The clouds are of varying sizes and are positioned in the upper half of the frame. In the bottom left corner, there is a white rounded rectangle containing the text 'v6'.

v6

A large, billowing white cloud with a dark, shadowed base, set against a deep blue sky. The cloud has a textured, puffy appearance, suggesting it might be a cumulus or cumulonimbus cloud. The lighting is bright, highlighting the white tops of the cloud and casting deep shadows in its folds and base.

v7

V8.x

A visualization of the cosmic web, showing a dense network of filaments and nodes. The filaments are colored in shades of purple and blue, with brighter yellow and orange spots indicating galaxy clusters or individual galaxies. The overall structure is a complex, interconnected web of matter.
