

Session Program

12-16 Sept 2016

TeV Particle Astrophysics 2016

***Public talk: Seeing two black holes merge
(with gravitational waves!)***

CERN

Wednesday 14 September

19:00

Public talk: Seeing two black holes merge (with gravitational waves!)

Session | **Location:** Other Institutes, Uni Dufour U300

19:00–21:00

CONFERENCE: SEEING TWO BLACK HOLES MERGE (WITH GRAVITATIONAL WAVES!)

Speaker

Bruce Allen

21:00
