Programme website

The screenshot shows the Indico CERN page for the UK Teachers Programme. The header features the UK flag and the text 'UK Teachers Programme' and '15-18 February 2016'. Below the header, there is a search bar and a 'Search' button. The main content area includes a navigation menu with 'Overview' and 'Timetable' options. The main text describes the programme and provides contact information for Mark Langley. At the bottom, there are icons for 'Starts', 'Ends', 'Location', and 'Materials', along with a 'Materials' section that is currently empty.

Overview
Timetable

The first **UK Teachers Programme in 2016** will take place from **15 to 18 February**. Lectures, on-site visits and exhibitions and hands-on workshops as well will introduce its participants into cutting-edge particle physics. We hope our participants will go back to the UK as ambassadors, who pass on the subject to our next generation of physicists, engineers, IT specialists and and and ...

If you would like to participate, please get in touch with your national organiser Mark Langley from the National Science Learning Centre at the University of York. Information about the scientific programme and agenda can be found under [Timetable](#). More precise information concerning your arrival at CERN as well as a definite confirmation of your participation will be sent to you by e-mail. CERN and its Education Group is looking forward to welcome you here in Geneva, Switzerland.
