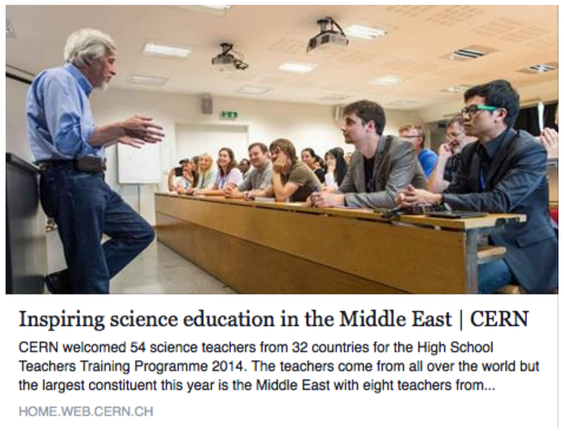
High School Teacher Programme (HST) in English | 3 weeks



Inspiring science education in the Middle East | CERN

CERN welcomed 54 science teachers from 32 countries for the High School Teachers Training Programme 2014. The teachers come from all over the world but the largest constituent this year is the Middle East with eight teachers from...

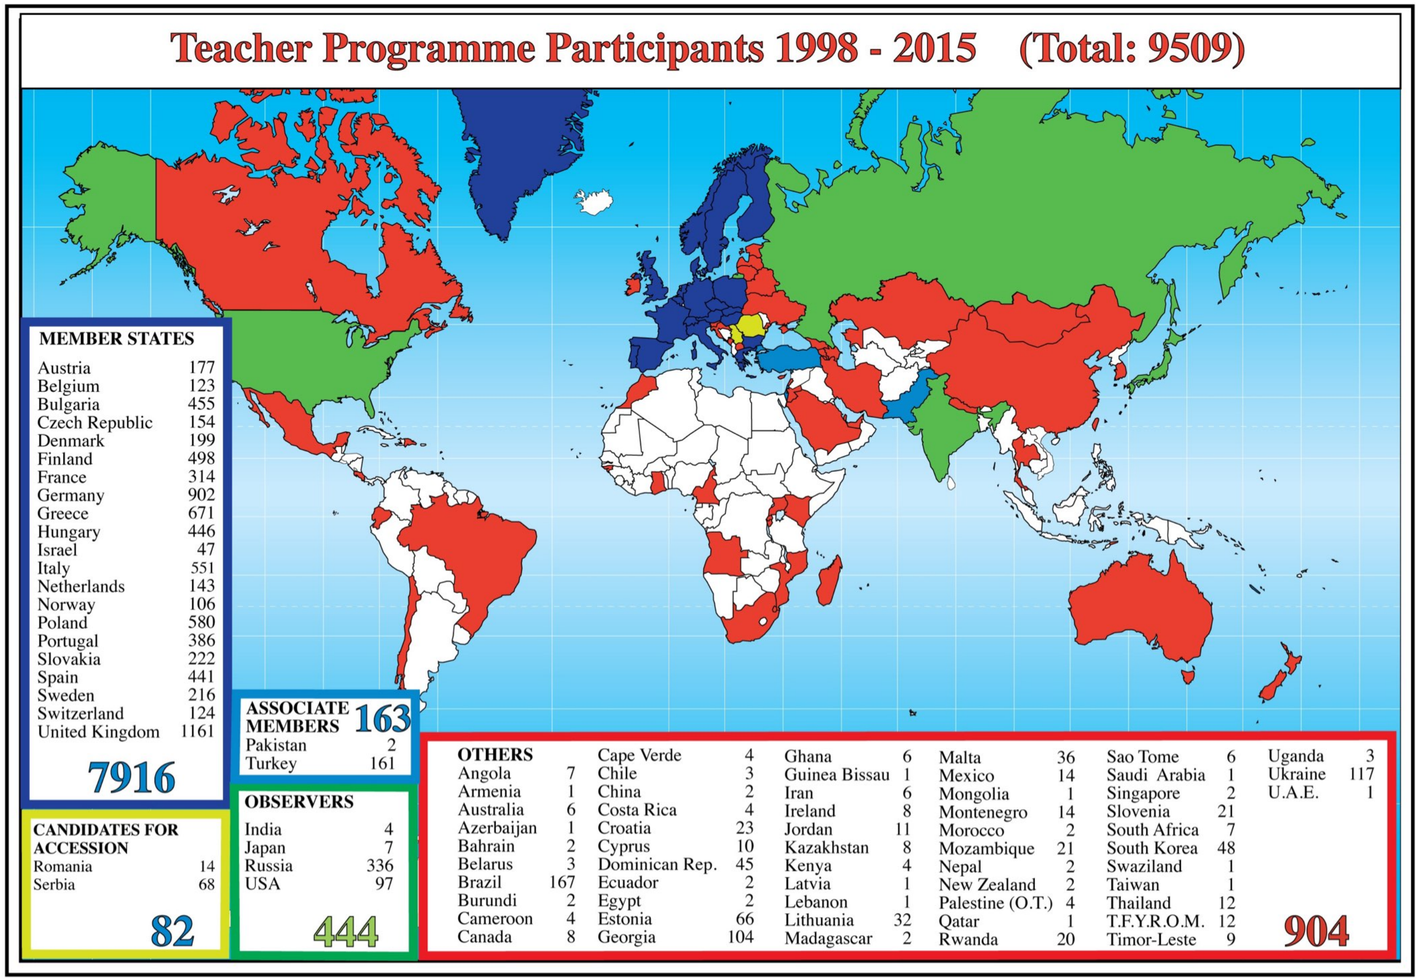
CERN's Teacher Programmes



Outcome and To-Do-List

- Share your experience with your students, your colleagues, and the general public.
- Act as ambassador for science/engineering and in particular for particle physics.
- Organise follow-up activities.

Merci bien!
