WLCG CPU Pledges / Allocations

2015 CPU allocatable
2009 CPU unallocatable

Note: 2009 CPU remains as allocatable until at least end June 2016

WLCG Disk Pledges / Allocations

WLCG Tape Pledges / Allocations

Need to update model to work for GridPP5
- large non-LHC VOs result in a total allocation
much closer to the blue line
