

**The Big Bang and the little bangs - Non-equilibrium phenomena in  
cosmology and in heavy-ion collisions**

Contribution ID: 32

Type: **not specified**

**Applications of Closed Time Path QFT in Heavy Ion  
Collisions: CGC, Thermalization, Milne vacuum and  
Beyond**

*Wednesday, 24 August 2016 15:30 (1 hour)*

**Presenter:** JEON, Sangyong (McGill University)
