

Ninth CW and High Average Power RF Workshop

Thursday, 23 June 2016

Solid state amplifiers 3: Solid state amplifiers 3 (16:00 - 18:00)

-Conveners: Patrick Marchand

time	[id] title	presenter
16:00	[10] Solid State RF Amplifier Development at the Advanced Photon Source	Mr HORAN, Douglas
16:30	[41] Time domain characterization of high power RF pulsed solid state amplifiers for linear accelerators	HOANG, Long
17:00	[8] Innovative High Power, High Efficient Amplifier Design for Accelerator-Applications	Mr DALISDA, Uwe
17:30	[22] Commissioning of high-power RF at Solaris Light Source	BOROWIEC, Pawel
