# Welcome and Intro

Paolo Calafiura

# Not our first rodeo…
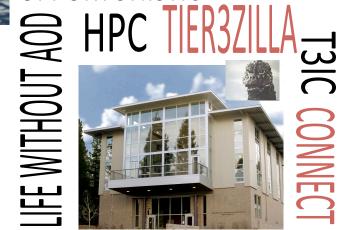

# US ATLAS <u>Facility</u>

Demonstrably the best

- To protect it
  - Keep on innovating
    - Containers, SDNs, event streaming, analytics
  - Manage it as one federated resource
    - Share policies, tools, **people**
  - Optimize procurement
    - Horses for courses
    - Borrow/lease what you can, own what you must

SDNs, Xrootd, Osiris

Analytic

Event Service, BigPanda

Centralized T3, Elastic Cloud
Costing, Provisioning
