

IT-CM Group Meeting

Tim Bell

26th January 2016

Introduction

- Today
 - Arrivals and Departures
 - Department News and Information
 - Infrastructure Services Section Services and Plans

Staff Movements

<p>Susie Murphy IT-CM-MM</p> <p>Departure</p>	<p>Development of the Agile monitoring solutions</p>	
---------------------------------------------------	----------------------------------------------------------	-------------------------------------------------------------------------------------

Office Moves

- High level plan agreed
 - Tim Smith's group moves to Building 28
 - All IT-CM people to be in Building 31, preliminary planning for
 - IT-CM-MM on ground floor
 - IT-CM-LCS, IT-CM-RPS and IT-CM-IS on 1st floor
- 130 people will be moving

Office Moves Principles

- All offices to be equipped with desks for the right number of people
- Some will only be partially occupied to give flexibility for visitors/students
- Only medical related furniture to be moved (e.g. standup desks)
- No phone numbers will be moved. Soft phones can be requested
- Boxes and skips will be provided to help the move. May involve moving computers first and then transport delivering boxes later
- IT Secretariat to handle keys

Thursday Meeting Evolution

- Thursday weekly meeting will move to cover the whole department
 - Probably move to 16h00 and maximum 1 hour
- Split into
 - Punctual short items of high impact outside the group (e.g. disruptive changes for review)
 - Project presentations (e.g. major initiatives such as Elastic Search, Containers, ...)
- Chair would rotate between 6 technical experts who would set the agenda together
 - Summary to IT Management on a monthly basis

IT Management Discussions

- Working on mobile coverage in France
- Elasticsearch and Container projects agreed
- Theory upgrade agreed, with request for DG funds
- S135 Helpdesk contract going to tender
- Tape contract to be retendered

Any Questions ?
