

Session Program

3-4 Mar 2009

ACES 2009

Power distribution, low power design, power simulation

CERN, 500/1-001 - Main Auditorium

Tuesday 3 March

12:15

Power distribution, low power design, power simulation

Session | **Location:** CERN, 500/1-001 - Main Auditorium

12:15-12:35 **DC-DC system architecture**

Speaker

Georges Blanchot

12:35-12:55 **Serial powering system architecture**

Speaker

Peter Phillips

12:55
