

Is there a role for a European ISOL Users' Group?

Peter Butler

University of Liverpool

Existing European ISOL facilities

CERN ISOLDE (ISCC)
GANIL SPIRAL (BUG)
Louvain-la-Neuve
Jyväskylä IGISOL
INFN-LNS EXCYT
JINR-Dubna DRIB
IPN-Orsay ALTO

Next GENERATION EU ISOL

SPIRAL 2 (Marek Lewitowicz)

HIE-ISOLDE (Karsten Riisager)

SPES (Gabriele Puglierin)

MAFF (Reiner Krücken)

EURISOL

Need for European ISOL Users' Group?

Facility technology and User instrumentation
R & D, Workshops

Theory
Workshops

Interface with
Fragmentation (GANIL/GSI/NuSTAR)
US, Japan, ...

Speaks for EURISOL

How to set it up

Should have grass roots (us!)

Laboratory collaboration, e.g.
INFN Legnaro - GANIL
MoU ISOLDE - GANIL
EURISOL DS

Possible Structure

Lab representatives

User representatives

NuSTAR representative

Theory

NuPECC

EU 7th framework network

First Steps

Common mailing list (e.g. EURISOL.ORG)
Additional logo

Common meetings

GANIL Colloque

ISOLDE workshops

Legnaro Users Meetings

EURISOL Town Meeting
