

Session Program

27-30 Nov 2006

EURISOL week

"F" Extended Driver Accelerator Capabilities for EURISOL

CERN, 500-1-001: Main Auditorium
Geneva

Tuesday 28 November

10:30

"F" Extended Driver Accelerator Capabilities for EURISOL

Session | **Location:** CERN, 500-1-001: Main Auditorium, Geneva

10:30-11:00

Yields from extended p-driver capabilities - calculations and experimental results

Speaker

Karl Heinz Schmidt

11:00-11:30

Superconducting proton driver accelerator - extended capabilities

Speaker

Alberto Facco

11:30-12:00

Coffee break

12:00
