MoU 'Dry run'

◆ Russia

- Funding difficulties because of exchange rate fluctuations
- MoU good opportunity to structure interests of Russian institutes
- Commitments are coming in (e.g. Yandex)
- Federal program to build up Russian Universities – significant resources but no HEP experience

◆ Switzerland

- Separate funding for R&D & construction
- SNF provides manpower and resources for hardware

◆ In both cases, positive statement from CERN management required: wait for Research Board (9 March)

Next outside CERN meeting

- ◆ 13-15 June, Imperial College
- ◆ For 2017:
- ◆ Volunteers welcome!
