

Siam Physics Congress 2017

Wednesday 24 May 2017 - Friday 26 May 2017

Rayong Marriott Resort & Spa

Scientific Programme

Accelerators and Synchrotron Radiations

Astronomy, Astrophysics, and Cosmology

Atomic Physics, Quantum Physics, Molecular and Chemical Physics

Biological Physics and Biomedical Engineering

Condensed Matter Physics

Environmental Physics, Atmospheric Physics, Geophysics and Renewable Energy

High Energy and Particle Physics

Instrumentation, Metrology and Standards

Magnetic and Semiconductor Physics

Material Physics and Functional Materials

Nanoscale Physics and Nanotechnology

Optics, Non-linear optics, Laser Physics, Ultrafast Phenomena

Photonics and Optoelectronics

Physics Education

Plasma and Ion Physics, Nuclear and Radiation Physics

Statistical and Theoretical Physics

Surface, Interface and Thin Film
